Construction Projects Contract Approval

---

Bids were opened January 15, 2009, for the following project:

**1. Dolliver State Park, Webster County – Flood Damage Repairs**

This project consists of the replacement of three trail bridges, repair of a stone CCC era dam and retaining wall and incidental work as required by the Plans and the DNR Construction Inspector. This project replaces three trail bridges that were washed away in 2008 and the repair of an existing CCC era dam and retaining wall.

Project was designed by Ken Jackson and will be inspected by Richard Wilson, District Inspector. DNR estimate is \$175,000. Funding will be provided by FEMA and REAP Land Management Minors (Capital Link #153). 20 sets of plans were issued. 11 bids were received.
